

## **LATROBE VALLEY MODEL AERO CLUB**

**INCORPORATED in VICTORIA      REG No A1822**

**PO Box 311, MORWELL. VICTORIA. 3840**

**Ph 03 5134 3189**

### **Joining the LATROBE VALLEY MODEL AERO CLUB.**

**There are 3 forms for new members to fill out for membership of the Latrobe Valley Model Aero Club.**

**HALF YEAR MEMBERSHIP - You can only get a Half Year Membership if you join after January 1<sup>st</sup> and you have not been a member of a VMAA/MAAA affiliated club in the previous year.**

### **FORM 1 INC JOINING APPLICATION FOR MEMBERSHIP OF THE LVMAC**

As stated in the Rules of Incorporation, persons wishing to join any Incorporated Club must be nominated and seconded by financial members of the club. The VMAA, our parent body in Victoria, allows new fliers 4 flying sessions before you have to join the club so that you are covered by insurance. This form is processed much sooner and is sent to the club registrar with your fees. You are covered by insurance immediately the receipt for your fees is written out. If for some unforeseen reason your application for membership is refused, all money will be refunded by cheque. This joining form must then be taken to a Club Meeting and a decision to accept or refuse the membership is made at the next Club Meeting.

The Latrobe Valley Model Aero Club meets Monthly, so it could take up to 4 weeks to process your membership once it is received. You will be notified in writing if your membership is rejected for any reason. (to date nobody has ever been refused membership).

### **FORM 2 YEARLY APPLICATION FOR MEMBERSHIP OF THE LVMAC**

The second form is a Joining Form that contains more detailed information and is the standard yearly form that all members should submit with their fees.

### **FORM 3 Club/Instructor Disclaimer**

This form should be filled out by new members that need flying lessons or test flights from a Club Instructor and is to remind new members that models can crash and there may be a financial cost associated with any crash, that the member will have to pay, even if the Instructor is flying the model at the time of the crash. (These are only crashes that may cause an Insurance claim)

If you have any inquiries please phone Wayne Lewis on 5134 3189.

LVMAC Registrar.
